

# G.A. Repple Vision and Mission

**Seek ye first the Kingdom of God and His righteousness, and all these things shall be added unto you. Matthew 6:33**

## **Vision**

**We want to become the premier Financial Institution raising money for Charitable Purposes.**

## **Mission**

**Our mission is to teach, train, and develop Financial Advisors to make a positive difference.**

## **Customer Service**

**We provide support services to Independent, like-minded Financial Advisors. We deliver agreed upon services and meet client expectations in a timely and accurate manner. We operate with honesty and accountability in all cases.**

## **Growth and Innovation**

**We encourage creativity, while striving for constant and never ending improvement of personal, organizational, and technological skills.**

## **Productivity Through People**

**We are committed to maximizing and utilizing each individual's skills, gifts, and strengths for the benefit of the organization by enhancing our people and technological resources through a pro-active approach to training and accountability.**

## **Image**

**We strive to be recognized locally and nationally as an ethical, professional, quality organization, providing outstanding products and services to the financial advisory community. We hope to be the recognized Christian Broker/Dealer of choice for the financial advisory community.**

## **Employee Relationships**

**We seek the best in each other, while helping each other to become our best. We work together with mutual respect, trust, and appreciation for everyone's contribution.**

## **Profit**

**We desire to earn sufficient profit to accomplish the company's objectives and ensure the future viability of the company.**

## **Our Guiding Principles**

- **The success of our mission ultimately depends upon relationships developed between our clients and associates.**
- **We are committed to exceeding client expectations by providing high quality, value-added products and services in an objective, courteous, and timely manner.**
- **We promote a work environment, which encourages open communication, innovation, positive attitudes, and participation in problem solving and decision making.**
- **We are committed to working together as a team to identify solutions and resources, which are in the best interest of our clients.**
- **We strive to be at the leading edge of our industry by pursuing excellence in each product and service, which we offer to our clients.**
